

M.^a Teresa Adell Pons, with DNI 73388691S, manager of the Mancomunidad de la Taula del Sénia and as such is responsible for the guarantee mark 'Aceite Farga Milenaria', and Jaume Antich Balada, with DNI 40008231F, president of the Asociación Territorio Sénia,

CERTIFY

1.- that Amador Peset Celma, with DNI 47623271T, manager of Bodegas Peset Vallés SL, with NIF J12883120 and placed in Street Nueva 35 in Traiguera CP 12330, is a member of the Asociación Territorio Sénia since June of 2016. During the campaign 2017/18, he produced his oil '**miLenia**' **within de guarantee and represented by the logo indicated belowmark** and fulfilled all the requirements of the regulation for both its origin (only the olive trees included in the inventory of the ancient olive trees in the Territorio Sénia) and its supreme quality (according to the results of the analyses and the official tasting panels).

2.- that the Mancomunidad Taula del Sénia and the Asociación Territorio Sénia are keeping up to date an inventory of the ancient olive trees of the Territorio Sénia. This inventory includes 4.960 ancient olive trees with at least 3.5 m of perimeter at 1.3 m from the ground. From this, working together public and private sectors and with the help of administrative bodies, the plunder of these unique specimens has been stopped. Moreover, these ancient olive trees have been preserved and their olives and their oils have been put on value.

3.- that these are some of the awards won by the ancient olive trees of the Territorio Sénia:

- Diploma of Honour by the Mediterranean Diet Foundation (2012)
- Hispania Nostra award –Banco Santander Foundation (2013)
- European Union award – Europa Nostra award (2014)
- Special mention of the European Landscape of the Council of Europe award (2016)
- Election by the International Olive Council: celebration of the World Olive Day (2017)

Morella. January, 9th 2018.
